"This is Stetson" has been chosen as the theme for the 1961 Hatter because the book is designed to present a frank picture of life at this university. It shows students studying, partying, Hat Racking, or working, and professors teaching or relaxing, as well as incorporating familiar views of both the DeLand and the St. Petersburg campuses.

Events included here cover the period from February of 1960 to that same month in '61. Little of the current spring's work is included because of deadlines necessary for May publication.

Some reorganization has been made, such as placing Who's Who immediately following the seniors and putting the law school faculty with those of the other schools. These steps were taken to provide more continuity and unity.

H A T T E R

The focal point of Stetson's picturesque campus is Hulley Fountain, located just off Minnesota Avenue behind Elizabeth Hall. Its constantly changing colors and water patterns inspire poetry, pictures, and romance.

Emily Hall on Woodland Boulevard is the newest and most modern of the four women's dormitories.

Stately oaks, Spanish moss, and shrubbery surround the entrance to Chaudoin Hall.

Bill George's car is covered with literally a little of everything in preparation for the basketball parade prior to the Mercer game.

Campus beauties Kelly Olinger, Nancy Kohler, and Liz Frix pose for final judging in one of the many queen contests.

Six social fraternities and six sororities provide the Greek social whirl at Stetson. The groups constantly compete in rush, intramurals, elections, and scholarship, yet cooperate to make such inclusive activities as Greek Week and the Green Feather Drive succeed.

Diane Disney, George Patten, and Jerry Castleberry relax on the Hat Rack patio by the Mad Hatter statue (before it was painted).

Sigs Eps won first place

Frosh Jimmy Terrell and Tony Schoder had to dodge rotten eggs to earn money for the Green Feather carnival.

Cynthia Hair, Joy Lynn Thomas, Sally Lied, and Judy Eckert strain to break the tape in a Hatter Holiday race.

in the basketball parade with this float.

Carolyn Clark's sorority and V. J. Spivey's fraternity joined forces for a Green Feather booth.

Equipment manager Ed DeLoorey smokes one of his 1,093,246 cigars as he momentarily pauses in handing out sports supplies.

Intramural directors Ed Ruby and Garland Williams present one of the many trophies for intramural excellence.

Sports play a major part in life at Stetson. While only the very best make varsity squads, nearly all the students participate in the intramural programs. SU fields Hatter teams for basketball, soccer, baseball, tennis, track, and golf; the intramural players can go out for basketball, softball, badminton, touch football, ping pong, horseshoes, shuffleboard, and several other activities.

Jumpin' jack guard Charlie Warren goes up for two in one of the Hi-Hats many successful games.

Bill George prevents a Rollins goal as Gary Maris rushes to his aid.

The Cadet Corps color guard stands at attention on the drill field.

Pershing Rifles members bow before being tapped into the honorary.

The Reserve Officer Training Corps is a four-year program enabling a college graduate to enter the service with a commission. Each cadet is preparing for the army through drilling, learning weapon maintenance, and having classes in military strategy, history, and regulations. A staff of Regular Army officers and NCOs direct the program at Stetson.

Inclement weather sometimes necessitates the corps' using Hulley Gym instead of the outside drill field.

Cyrus Cressy directs a group of Stetson coeds in modern dance techniques.

A small child looks on in rapt attention as Judy Hohman and Bert Humphries, last spring's Hatter Holiday co-chairmen, pedal away on a scooter and tricycle.

Even "wandering minstrels" can be lured into an impromptu concert at the university as was this talented ballad singer.

Bill George collects money for the March of Dimes from a passing motorist as S-Club president Jerry Dunworth, sponsor Wes Berner, and Bill Cross look laughingly on. The S-Club, organization for varsity lettermen, sponsors such other activities as Rat Week and donkey basketball.

Beth Bierley and Lee Britton break into a cha-cha step at one of the SGA dances as Cookie Riley, dancing in background with Ken Cassel, is caught in the middle of a sentence. The Student Government Association, directed by president Byrd Booth, sponsored several similar dances in the Putnam Hotel.

One of the most familiar duos on campus is "Doc" Johnson and his sidekick Blackie.

The people and organizations on these two pages are typical of Stetson. SGA, cheerleaders, S-club, and, of course, Blackie, are integral features of the university.

Jay Haskell, Liz Frix, and Carolyn Clark pose as Van Pittman relaxes. This group is the SGA Executive Committee.

John Halliburton shouts out a punch line while serving as emcee.

Cathy Griffis concentrates on her pose while kneeling before cheerleaders Sandy Ivey, Cookie Riley, and Jane Hall.

The Golden Tower of the St. Petersburg campus is a replica of the centuries old "Torre del Oro" in Seville.

Behind the trees is the Granary, also copied after a famous Spanish building.

Law students can sun and swim in the school's private pool.

The 1961 Hatter is

DEDICATED TO

Edward C. Furlong, Jr.

E. C. Furlong, Jr., from Morgantown, Virginia, has faithfully and tirelessly served the University for twenty-three years in many capacities. He earned his B.S. and M.A. degrees from Stetson, then proceeded to do graduate study at the Case Institute of Technology. In 1938 he came to serve on the university faculty, whereon he now holds the title of Professor of Business Administration. During the past decade he has served as Dean of the School of Business and Business Manager of the University. Through these offices as well as the many local and state committees on which he works, the forty-eight-year-old administrator's business-like manner, coupled with a warm and sincere personality, has greatly aided Stetson in its many financial dealings. Dean Furlong now lives in DeLand with his wife Charlotte, also a Stetson alum, and their five children.

So to express the respect, gratitude, and admiration of one who has given so much to the University and asked so little in return, we humbly dedicate the 1961 Hatter to Edward Colson Furlong, Jr.

EDWARD C. FURLONG, JR.

Dean Furlong listens intently to a remark at one of the faculty dinners in the Stetson Room.

Dean Furlong poses in his office.

THE UNIVERSITY

Stetson became a college in 1885, two years after its founding. It was named DeLand Academy after Henry A. DeLand, main founder of the town, and later became known as Stetson University in honor of the well-known hat manufacturer who generously endowed the college. The school added a college of music, one of law, and most recently, one of business to become a university.

Thirty buildings on the seventy-five-acre DeLand campus house the university's varied activities. Elizabeth Hall, shown to the left, is the administrative and main classroom building. It also contains the principal auditorium.

Stetson has perhaps the ablest faculty in the South, with approximately eighty per cent of the instructors having master's degrees and most of that group also with doctorates.

Homecoming Day
February 17, 1961

Memo: To the Stetson Community:

As I write these lines, the Trustees of the University have just made one of the most significant decisions ever made by a Stetson governing board — they have given instructions for work to begin upon the construction of a new building.

Of course, the decision to build the new library was made a long time ago, but the resolution to move ahead **now** was accompanied by a statement that it is the earnest purpose of the Trustees to continue this "academic construction program" without interruption, once commenced, until all of the faculty's other critical needs have been met.

Thus, once again, this institution is moving forward on another "Venture on Faith." You students of 1961 have much at stake in this up-reach, but I predict that in the years to come you will look back upon these "planning days" as some of the most exciting of your entire life.

For the Trustees do expect to consult with you students in all of these plans — just as they consult with parents, churches, and alumni. I am confident that the entire community will welcome this opportunity to help.

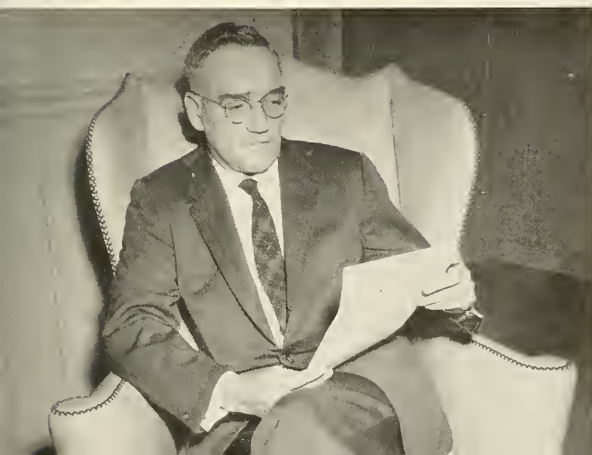

Faithfully yours,
J. OLLIE EDMUNDS

SCHOOL OF

LIBERAL ARTS

The College of Liberal Arts is the oldest and largest of the four colleges comprising the university. It offers both master and bachelor degrees in arts and science. Elizabeth, Flagler, and Holmes Halls are the major classroom buildings.

Every Stetson student comes in contact with the liberal arts curriculum as it is the core of the university. Through its general education courses one gains a well-rounded knowledge and understanding of the arts and sciences. The liberal arts major has the opportunity to participate in such courses of study as the Merrill Program of American Studies, the Honors Program, and the Washington Semester.

SCHOOL OF

BUSINESS

The most recently formed of Stetson's colleges is the School of Business, founded in 1940 and housed in its own building on West Minnesota.

To avoid handicapping graduates from a limited education, business majors are required to take approximately forty per cent of their work in the liberal arts field. The faculty endeavors to cultivate in students high ideals of business morality and social responsibility. Students are encouraged to acquire a clear understanding of modern industrial society and of their responsibilities and opportunities in it. They may concentrate in the fields of accounting, general business, business-law, finance and banking, real estate and insurance, management, marketing, economics, business education, or secretarial science.

MUSIC

In 1932 Stetson's Music School became accredited by the National Association of Schools of Music and has since maintained excellent ratings. The university choruses make many Florida and out-of-state trips for special concerts and festivals; the orchestra delights audiences in Elizabeth Hall; and the newly-formed pep bands brings crowds at soccer and basketball games to life.

The school's curriculum prepares students for careers in teaching, performing, or creating music. Most of music student's time is spent in either DeLand or Band Halls, although he is required to take some courses in the field of liberal arts.

THE SENIORS

Long awaited, eagerly anticipated, the day of graduation from Stetson finally arrives. Then the senior must leave behind the parties, plays, inventories, professors, and Hat Rack to enter a new life of marriage, career, or perhaps more study in graduate school. However, he will take with him the friendships, the memories, and the satisfaction of completing a sometimes frantic course of study.

SCHOOL OF LAW

Stetson's College of Law, founded at DeLand, is the oldest law school in Florida. During the summer of 1954 it was relocated on a new twelve-acre campus in St. Petersburg, where the students and faculty have ready access to the institutional facilities of the Tampa Bay metropolitan area.

The college has developed a lawyer-training program comparable to the famous Inns of Court and Chancery in London. This English system, which emphasizes close personal contact between students and practicing attorneys, has been modernized and adapted to meet the special needs of American law students.

Primary among the school's aims is the production of not only good lawyers, but also good citizens. On its campus it endeavors to create a moral climate which will encourage the students to achieve high standards of character and integrity.

G R E E K S

Twelve social fraternities provide the Greek life at Stetson. For the women are Alpha Xi Delta, Alpha Chi Omega, Delta Delta Delta, Phi Mu, Pi Beta Phi, and Zeta Tau Alpha. Men may pledge Delta Sigma Phi, Lambda Chi Alpha, Pi Kappa Alpha, Pi Kappa Phi, Sigma Nu, or Sigma Phi Epsilon.

These groups are constantly vying for trophies—in scholarship, singing, intramurals, skits, or parades. Naturally, some of the stiffest competition comes with rush. Despite this, however, they can and do band together on projects for the betterment of the university as a whole.

ALPHA CHI OMEGA

Alpha Chi Omega was founded in 1885 at DePauw University, Greencastle, Indiana, by seven outstanding members of the music school. The golden lyre badge was chosen because of its significance as the first musical instrument of the Greeks, and represents Alpha Chi's musical heritage. Its colors are scarlet and olive green, and the flower is a red carnation.

Gamma Chi chapter at Stetson was founded in May of 1957. Since that time it has made some important contributions on campus. Last spring Gamma Chi was presented the trophy for being the most outstanding Alpha Chi Omega chapter in the state.

The friendly Alpha Chi's may be seen in such positions as president of Chaudoin Hall, Marilyn White;

PRESIDENT SUZANNE DELETTRE

sophomore representative to Executive Council, Lynn Chapman; vice-president of the senior class, Suzanne DeLettre; secretary of SGA, Carolyn Clark; majorette, Gail Hilverink, Jimmie Mae Wimberly, and Beverly Wilson; cheerleader Marilyn White, and many Alpha Chis are on house councils.

Last spring Alpha Chi's were honored to have three senior members chosen in Who's Who and five as Outstanding Seniors. This year Carolyn Clark was chosen for Who's Who. Alpha Chi's won first place with their float in the Homecoming Parade in conjunction with Sigma Phi Epsilon, first place in the Greek Week skits in conjunction with Phi Kappa Phi, and placed second in the inter-sorority sing.

In the field of beauty, also, the Alpha Chis have some outstanding members. Caleta Syfan was Miss 1960 Basketball and was chosen for the Lambda Chi Alpha "Crescent Girl" Court; Sweetheart of Sigma Phi Epsilon was Betty Lee; three Alpha Chi's were sponsored in the Miss Stetson contest—Marilyn White, Caleta Syfan, and Carolyn Clark; Carolyn is being sponsored for Miss Citadel; and Julia Mobley was sponsored in the Miss Hatter contest.

Alpha Chi Omega has several main national projects. One of the largest is their work with the Cerebral Palsy Foundation. Another is the McDowell Colony in Peterborough, New Hampshire, which is a haven for artists to further their work.

ALPHA XI DELTA

Alpha Xi Delta was founded at Lombard College in Galesburg, Illinois, on April 17, 1893. Alpha Xi was one of the first ten sororities founded in the National Panhellenic Council. Its symbols are the golden quill studded with pearls and the pink Killarney rose.

Everywhere you go on campus, you'll find an Alpha Xi, capable and friendly. Just listen to the titles that light up our quill: Miss Greek Week Athena, Miss DeLand Jaycee, Sweetheart of Pi Kappa Phi, first and second place runners-up in the Miss Hatter contest, Lambda Chi Alpha Crescent Court, House Council, Hatter Staff, Reporter Staff, Stover Theatre produc-

tions, Honor Roll, Dean's List, Travel Squad, Cheerleading.

DELTA DELTA DELTA

Delta Delta was established on Thanksgiving Eve, 1888, at Boston University. Alpha Delta Chapter, founded at Stetson in 1913, is the oldest Tri-Delta chapter in Florida. Tri-Delta's honor their badge of three pearl-studded stars within a golden crescent and hold fast to their colors of silver, gold, and blue.

Tri-Delta Girls take a very active part in all phases of campus life. Gail Kreugar and Dawn Davis are on Women's Executive Council, of which Anna Bryan Perry is vice-president. Anna is also vice-president of Mortar Board and has been chosen for Who's Who. Sylvia Blake is another Tri-Delta on Mortar Board as well as being in Scroll and Key. Judy Eckert, Joy Goode, and Gwen North represent the sorority on house councils.

Marybeth Everroad participates in many Stover Theatre productions, as do Bonnie O'Dell and Marilyn Gooding, who are in the dramatic honorary Theta Alpha Phi; Bonnie is its president. Karen Gay, Joy Goode, and Judy Eckert sing in the university glee club. Two of Stetson's peppy cheerleaders are Tri-Delta's Marilyn Gooding and Sandy Ivey.

Tri-Delta's also serve as officers in other departments. Anna Perry is vice-president of the Liberal Arts School, Susan Green is secretary of the junior class, and Jackie Pitts is president of Panhellenic Council. In the field of publications, Carolyn Coleman served as section editor for the Hatter and Cathy Warlow is on the Reporter staff.

Last spring the sorority won the Hatter Holiday trophy and first place in women's intramurals.

These are but a few of the activities in which Tri-Delta's engage. Traditional activities of the sorority are the Apple-Polishing Party, Founders' Day Banquet, retreat, Pansy Breakfast, and Tri-Delt Weekend.

PHI MU

Phi Mu Fraternity, the second oldest sorority in the United States, was chartered in 1852 at Wesleyan College, Macon, Georgia. Presently there are eighty-two collegiate chapters and one hundred seventy-five alumnae groups.

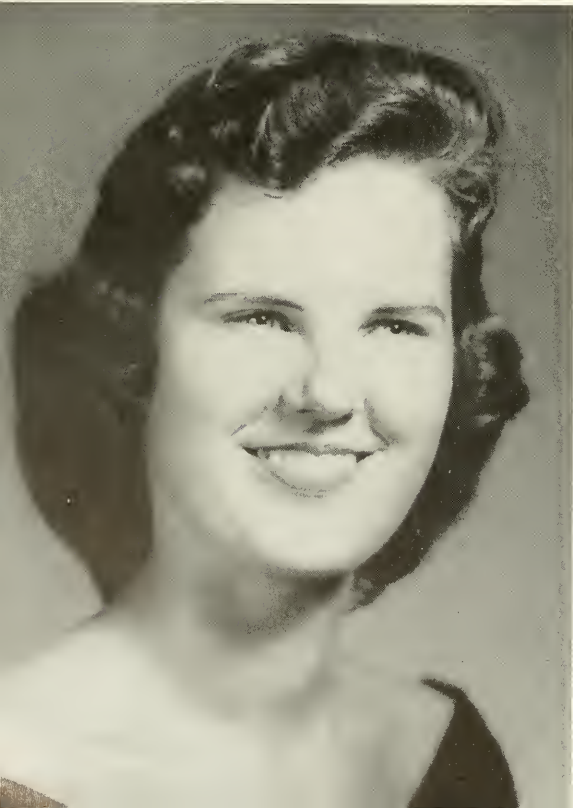

The Stetson chapter of Phi Mu was chartered in 1949, and since that time the members have been active in all phases of campus life. Phi Mu places a major emphasis on scholarship and is proud to be represented in many scholastic honoraries. Two Phi Mus were among the charter members of the local Mortar Board chapter. Members of the chapter currently hold positions in Kappa Delta Pi, Sigma Pi Kappa, Sigma Delta Pi, Beta Beta Beta, and La Franciade.

In other areas of college life, Phi Mus are active as Conrad Hall vice-president, SFEA president, BSU Executive Council, secretary of the student section of the FAHPER, members of Women's Council, and sophomore class vice-president. Other activities include SGA committees, Physical Education Majors Club, concert and university choirs, Aqua Hats, and various religious organizations.

Another major emphasis of Phi Mu is social service. As a major project this year the chapter adopted a foster child—a twelve-year-old Korean boy. Many additional projects were also carried out with special attention to helping the needy and underprivileged.

In keeping with the traditions of the chapter, we held the annual fall pledge retreat, Mother-Daughter Christmas party, spring houseparty, spring weekend, and senior breakfast.

PI BETA PHI

Pi Beta Phi, the oldest national fraternity for women, was founded in 1867 at Monmouth College, Monmouth, Illinois. Florida Alpha, one of its 104 chapters, was established in 1913, making Pi Beta Phi the first national Panhellenic organization on the campus of John B. Stetson University.

Pi Phi's national philanthropic work is the Pi Beta Phi Settlement School in Gatlinburg, Tennessee. The school was founded in 1912 for educational and medical services.

Among the outstanding alumnae of the sorority are Margaret Truman Daniels, Mrs. Calvin Coolidge, Jane Wyman, Elizabeth Scott, Mrs. Faris Bryant, and Miss America of 1958, Marilyn Van Derbur.

PRESIDENT DIANA KUNZE

Stetson's wearers of the golden arrow are active in every phase of campus life. Five of the seven members of Mortar Board, women's leadership and scholarship honorary, are Pi Phi's. They are president Liz Frix, secretary Eva Lynn Newton, treasurer Judy Hohman, historian Joan Holzman, and Diana Kunze. Half of the girls tapped for Who's Who this year were Pi Phi's. Class officers include SGA secretary Liz Frix, business school secretary Susanne Higgins, and senior class secretary Eva Lynn Newton. Joan Holzman is president of Women's Executive Council and Liz Frix is president of Emily Hall. Eleanor Dickey was voted the outstanding freshman in the band. Linda Allen and Jean Donnelly are on the Honors Program. Shelley Crittendon, Gloria Parker, Liz Frix, and Jean Donnelly are members of Phi Society. Pi Phi cheerleaders are Jane Hall and Beverly Chapman. Pi Phi has retired the Panhellenic Scholarship Trophy three times consecutively.

Beauty honors this year include "Miss Stetson," Nancy Kohler; "Miss Hatter," Jean Cox; and "Freshman Beauty Queen," Virginia Holtzendorf. Jean Cox was also first runner-up in the "Miss DeLand" contest.

ZETA TAU ALPHA

Zeta Tau Alpha was established at Stetson University in 1934 as the fourth Panhellenic group on the campus. Longwood College in Farmville, Virginia, was Zeta's birthplace, when, on October 15, 1898, nine girls proudly chose to wear the steel gray and turquoise blue.

From the time of its founding, Zeta has been represented in philanthropic projects. Recently two national projects have been undertaken—the Cerebral Palsy Fund and the Zeta Tau Alpha Scholarship Fund. Already in the past eight years, \$22,000 has been used for pamphlets to self-educate cerebral palsy victims. Locally Beta Psi Chapter every year has a Christmas party for underprivileged children.

The wearers of the crown and shield have been quite active on campus this year. As a group, Zeta won

the Greek Week Olympics for the third straight year, as well as the Point Trophy for Women's Intramurals for the second consecutive year. Individually, Cynthia Crumb was elected last year's outstanding freshman woman, a member of Phi Society, and is presently serving as sophomore class secretary; Suzanne Fredrikson is a panhellenic representative, member of the Student Union Board, and secretary of the Liberal Arts School; secretary of the Business School is Sarah Foster Schuessler. This year's chairman of Homecoming was Robin Dashiell; the sorority is also represented on the Hatter Spirit, Parents' Weekend, Orientation, Library, Green Feather, and Leadership Weekend Committees. Several Zetas served on house councils; in Stetson Hall, Joan Mitchell was president, Sally Lied was vice-president, Connie Pavey was secretary, and Kay Johnson and Suzanne Fredrikson were representatives-at-large; Peggy Barnes served as a representative in Emily Hall. Editor of this year's annual, business manager and sports editor of the **Reporter**, and scorekeeper for varsity sports was Diane Disney; and one of the outstanding debaters in the novice class was Ann Quarles.

Speaking of outstanding people, some famous Zeta alumnae are novelist Faith Baldwin; Dorothy Shaver, president of Lord and Taylor; and Etter Turner, Dean of Women here at Stetson.

Panhellenic Council coordinates the activities of Stetson's six social sororities: Alpha Chi Omega, Alpha Xi Delta, Delta Delta Delta, Pi Beta Phi, Phi Mu, and Zeta Tau Alpha. The local group is a member of National Panhellenic Council.

Sorority rush is the main concern of the council. Panhellenic holds an open house and several information sessions at the beginning of each semester to help the girls striving to become Greeks. The council explains rush rules, preferential bids, and penalties to all rushees.

Panhellenic also acts as a judiciary board, hearing all cases involving illegal rushing, broken pledges, or disputes between member sororities.

Each member group has three representatives on the council: its president, rush chairman, and one representative at large. The offices are rotated so that no one group should have an unfair advantage.

Panhellenic's creed states that the group stands for preparation for service through the character building inspired in the close contact and deep friendship of fraternity life.

INTERFRATERNITY COUNCIL

OFFICERS

PRESIDENT Lamar Mathews

SECRETARY Chip Shore

VICE-PRESIDENT Chuck Handte

TREASURER Ted Camp

Interfraternity Council correlates the activities of and settles the disputes between the six social fraternities on the Stetson campus. All six member groups—Delta Sigma Phi, Lambda Chi Alpha, Pi Kappa Alpha, Pi Kappa Phi, Sigma Nu, and Sigma Phi Epsilon—are chapters of national fraternities pledged to ideals and objectives similar to those embraced by the university.

Fraternities are perhaps the most important extra-curricular activity on a college campus. Stetson's chapters are aware of their responsibility of developing men willing and capable of assuming the positions of leader-

ship both on the campus and in the world.

IFC performs the same regulatory function for men's rush that Panhellenic does for women's. Although this does not involve the screaming and crying of women's rush, it is no less trying on the nerves.

In the middle of the '60-'61 school year, IFC officers were changed; during the spring semester Chuck Handte was president, Dick Schuessler was vice-president, and Chip Shore and Ted Camp retained their respective positions as secretary and treasurer.

Seated, left to right: Terry McNamara, Chuck Handte, Lamar Mathews, Chip Shore, Ted Camp, Mel Guenther. Standing: Dick Schuessler, Ken Cassel, Ed Browder, Jim Lanier, Jim Smith, Guy Campbell, George Perino, Bruce Lohof, George Patten, Max Hall.

DELTA SIGMA PHI

Delta Sigma Phi was founded in 1889 at the College of the City of New York. Since that time it has grown to be one of the largest national fraternities, with over 100 chapters and 32,000 brothers in the bond of Sphinx. The local chapter, Alpha Chi, was installed at Stetson in 1925. The chapter had been local since 1881. Dr. J. Ollie Edmunds, president of the university, was charter president of the chapter.

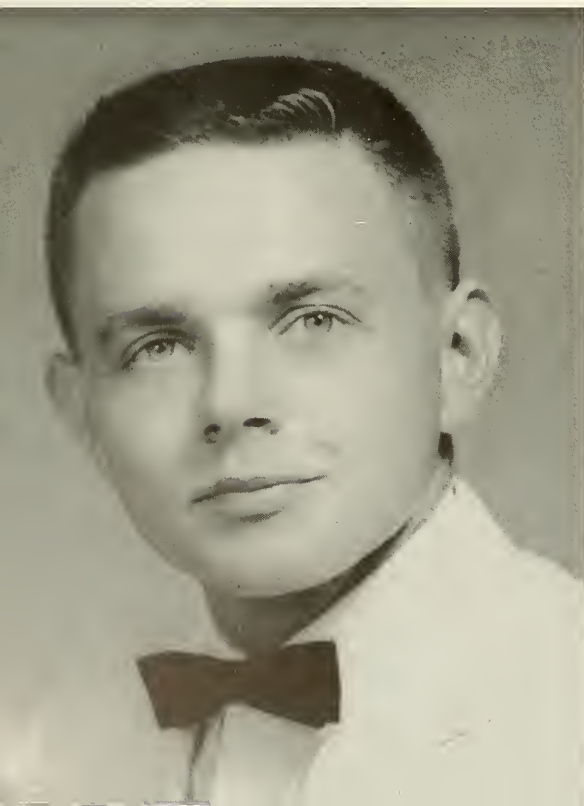

The chapter conducts such annual affairs as the Christmas party for underprivileged children, Honki-Tonk party, and the "Sailors' Ball." The "Sailors' Ball" originated at Stetson during the depression and has since been adopted as the official weekend for all chapters of the fraternity.

The Delta Sigs, while a social fraternity—all for one, one for all, and all for fun—add much to campus life and the brothers hold many honors. Brother Adams served as vice-president of Men's Council and as a member of Gamma Sigma Epsilon. Dick Schuessler was elected vice-president of I.F.C., and Bill Sims was tapped into ODK. Several of our brothers are in Green Circle and Phi Society, and many of the brothers also participate in varsity sports on campus.

The brothers of the Green and White take pride in their honors. They strive constantly to improve our scholastic averages.

Faculty members of Delta Sigma Phi include Dr. A. M. Winchester, James D. Perdue, Wesley M. Berner, and Donald C. Yaxley.

LAMBDA CHI ALPHA

Lambda Chi Alpha, the largest international fraternity, was founded at Boston University on November 2, 1909. Zeta Tau chapter at Stetson was the 141st chapter when installed in April of 1949. The flower of the Fraternity is the white rose and the colors are purple, green, and gold.

While a social fraternity, Lambda Chi contributes much to campus life. Pershing Rifles, national military fraternity, counts in its rolls Brothers John Avery as commanding officer, S-3 Patrick Knipe, S-4 Bert Humphries, Tom Parsons, John Davis, Tom Fay, Fred Connell, Jay Starling, and Frank Chaplain. The ROTC Battle Group Commander is Brother George Perino, while Brothers Knipe, Perino, and Avery represent Lambda Chi in Scabbard and Blade.

PRESIDENT GEORGE PERINO, JR.

Green Circle, a sophomore leadership society, claims Brother Davis as president with Humphries and Knipe as active participants. Brothers Duane Doddington and Charles Raisner are members of Omicron Delta Kappa, the national leadership fraternity which sponsors the Green Circle.

Brothers Frank Chaplain and George Mosely are members of Beta Alpha Sigma, local business honorary; Brothers Knipe, Perino, and Pricher belong to the Accountancy Club; Brother John Thomson is president of the Student Christian Association and the Canterbury Club; and Brother Ron Hennessy presides over La Franciade, French honorary. Fall voting saw elected Lambda Chi's Duane Doddington as senior class president, and Jay Sterling as treasurer with Paul Storm as president of the Liberal Arts School. Brother Storm was the 1960 Stetson Homecoming Mayor.

The varied social and service events were highlighted this year with the annual Christmas party for underprivileged children, the painting of the DeLand Childrens' Museum, and the 12th Annual Founders' Coronation Ball at which Norma Gayle Hagan was crowned "Crescent Girl."

The Fraternity wishes to express its gratitude to Mrs. Dorothy "Mom" Sturgeon, housemother, Professors Giles and Prichard, faculty sponsors, and Mrs. Clara Sommers among other friends and alumni of the chapter for their never-ceasing assistance to Zeta Tau. Through their aid and the close brotherhood of the Fraternity, Lambda Chi Alpha shall continue to maintain its high moral and scholastic ideals.

PI KAPPA ALPHA

March 1, 1868, was the founding date of the Pi Kappa Alpha Fraternity at the University of Virginia. Since then it has grown to 139 chapters, located at the major universities throughout the United States. Delta Upsilon chapter of Pi Kappa was founded at Stetson on March 31, 1951. Delta Upsilon has grown also and is now one of the most active chapters on the campus.

Delta Upsilon's men are active in campus affairs of all natures. Pi Kappa Alpha is proud of Brother Keith Morgan, Distinguished Military Student, Company Commander and member of Scabbard and Blade. The men of the Shield and Diamond are also proud of Brother Jay Haskell, treasurer of the Student Government Association, Greek Week Chairman, and Green Feather Drive Chairman. Another who has served the

Fraternity is Brother Ted Camp, treasurer of the Interfraternity Council.

The men of Pi Kappa Alpha are active in many other fields. Some of these are "S" Club, sophomore class president, chairman of the SGA Rules and Procedures Committee, freshman class treasurer, Pershing Rifles, Phi Society, Omicron Delta Kappa, Green Circle, Homecoming Committee, La Franciade, Theta Alpha Phi, Reporter editorial staff, Student Union Board, coordinator of the Early Admissions Program, Stetson Orchestra, and four Honorary Deputy Sheriffs of Volusia County.

The "Pikes" have always taken an active part in the sports program of the university and this year is no exception. Pike can be found on the soccer, tennis, baseball, and golf teams. In addition to the intercollegiate sports, Pi Kappa Alpha participates in the campus intramurals.

Wherever beautiful girls are found, you'll always see a Pike around. Typifying this are our Dream Girl, Miss Mary Heney, and our Miss Hatter representative, Miss Terri Collins. At any of the many Pike parties, the most beautiful girls on campus are present.

Pi Kappa Alpha is honored to be represented on the faculty by its advisor Dr. James A. Stewart, Dean of the Chapel, and by Dr. Jon Hall, a new professor in the English department.

PI KAPPA PHI

Chi Chapter of Pi Kappa Phi was founded on Stetson's campus in 1921, seventeen years after the national organization was chartered in Charleston, S. C. The first local, Phi Kappa Phi, was originally started at Stetson in 1912. Since these early years our fraternity has founded many traditions which are now a part of the campus life. Some of these are the Freshman Beauty Queen contest, the Parade of Orchids, the Freshman Girls' Serenade, and Uncle Gy-Rac.

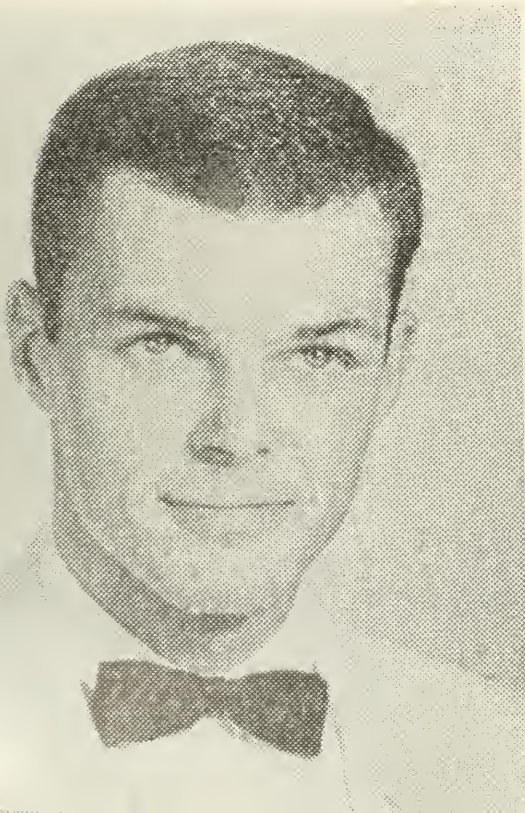

Throughout the years, Pi Kappa Phi at Stetson has become recognized and respected for its "tradition of excellence" in all phases of university life. This tradition has been consistently maintained through a balanced program of leadership development in such areas as athletics, music, scholarship, political and religious

activities participated in by men of superior talents. Men of Pi Kappa Phi have served their campus in many offices and honors during the past year. Some of these service positions include I.F.C. president, SGA social vice-president, Zeus—God of the Greeks, Homecoming mayor, **Reporter** editor, class and school officers, and many more. In addition, Pi Kapps have many men who have been honored by O.D.K., Green Circle, state-wide organization presidencies, outstanding male graduate in the Southeastern United States, as well as many honorary fraternity members.

In athletics, Pi Kappa Phi also is well represented. We have members on all the intercollegiate sports teams, all-conference positions in soccer and baseball, and are top among contenders for the intramural competitions.

Pi Kappa Phi—the friendly fraternity—is aware of, and assumes with confidence, its responsibility for developing leaders on today's campus for tomorrow's world.

SIGMA NU

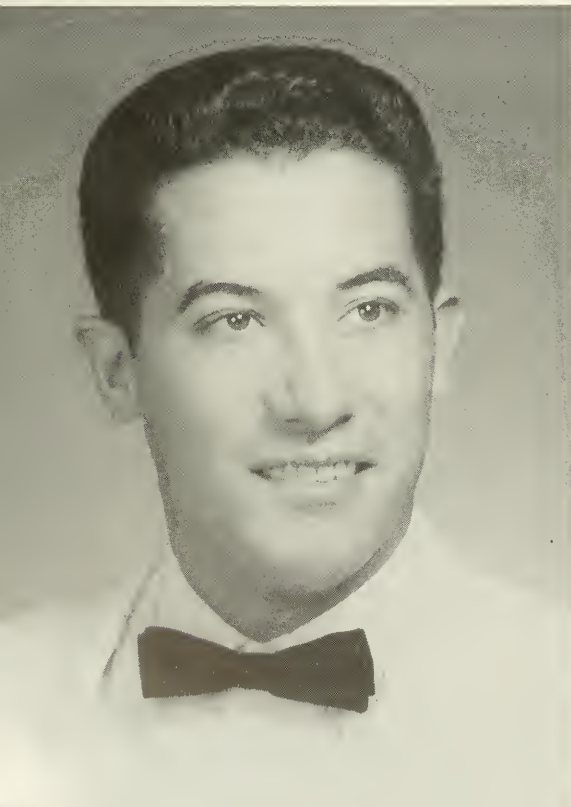

"He who starts out on a road, not knowing where he is, where is going, or how he is going to get there, is lost. He may reach no worthwhile destination—or if he does by accident—how does he know that he has arrived?"

For many a young man these words may describe the situation which he faces as he begins his college career. For most, a destination becomes clear and a desire to fulfill a purpose is acquired. The means of obtaining this destination are sometimes difficult to find. Out of many a few find in Sigma Nu through its spirit, its heritage, and its traditions the way to follow throughout their lives. Each man learns "to believe in the life of love . . . to walk in the way of honor . . . to serve in the light of truth."

Honor is the keystone of Sigma Nu. Ours is uniquely

COMMANDER MEL GUENTHER

an Honor Fraternity, founded at an Honor College, and all of us are pledged to try to "walk in the way of honor." Honor is the ideal which, when followed, makes a man trusted, his word good, his actions dependable, and his decisions admired and respected. The Way of Honor is the Way of Sigma Nu.

As for Delta Mu of Sigma Nu on the Stetson campus, each brother strives to maintain the high spirit and traditions that have been brought down through the years. Sigma Nu was the first national social fraternity on the campus. From the very beginning, the word "first" has remained as the keynote of the chapter. It is unnecessary to present a list of accomplishments and achievements of each Brother or for the Chapter as a whole. Names such as Booth, Guenther, Sucher, Royal, Lexow, Johnston, Seaborn, and Patten are familiar to the campus for leadership in various activities. Very few days pass without some mention of names like Hancock, Epting, Dompe, O'Neal, Gladden, Miller, and Ray on the sports page of newspapers throughout Florida. The Greek Week trophy, the Hatter Holiday trophy, and the President's Cup for the seventh straight year line the trophy case at the House. These are but a few of the tangibles of which we of Sigma Nu are proud. We have been called everything from a "fraternity of athletes" to "animals." We have been praised and criticized, cheered and booed, liked and disliked. The face of petty jealousy wears many disguises, and Sigma Nu has learned to live with both the good and the bad.

We are strong and proud. We realize our destination and intend to follow it. Sigma Nu bases its future on its past. The Brothers both as a group and as individuals will continue to strive for ideals upon which the Fraternity was founded and will remain loyal to the traditions and the heritage of the Honor Fraternity.

SIGMA PHI EPSILON

The Florida Beta Chapter of Sigma Phi Epsilon established itself at Stetson in February of 1949. Sigma Phi Epsilon National, world's second largest social fraternity, was founded November 1, 1901, at Richmond College in Virginia.

During the past year Sig Ep's have won first place for both Homecoming and basketball parade floats. Brothers Malcolm and Catlin won the Greek Week chariot race for the third straight year. The SPE athletes retired the Intramural Achievement Trophy and also won the Hatter Spirit Trophy last spring.

The fraternity's social life is highlighted by the annual Christmas and Valentine dances and the Sig Ep Weekend. The weekend is known for its "Queen of Hearts" Ball.

Sigma Phi Epsilon puts forth every effort to promote high academic attainment. The fraternity recently received several scholastic honors.

Sigma Phi Epsilon is justly proud of its SPE camp fund to benefit underprivileged children. Established in 1950, it was the first such project successfully administered by a national fraternity.

Prominent alumni of the fraternity on campus include Dean E. C. Furlong, Dr. John Vaughen, Graves Edmundson, Richard Pearce, and George Hamilton.

S P O R T S

Intercollegiate and intramural athletics play a major role in life on a college campus. At Stetson the interest develops in the fall with soccer, reaches a peak with basketball, and splits between the spring sports of track, baseball, golf, and tennis. But this is the intercollegiate schedule; to many intramurals have a much more immediate importance.

There is a program for both sexes. The women's department awards both a trophy for points and one for participation; in the men's field the year's top point-making team receives the President's Cup. The men are divided into Green and White Leagues, comparable to varsity and jayvee squads; in some sports even the faculty enters a team to further heighten interest.

Kneeling, left to right: Coach Wes Berner, Billy Wolfe, Wayne Cone, George Borders, Don Ray, Carlos Nunez, Bruce McKinley, Ted Sucher, Tom Brist. Standing: Bill George, Jose Auffant, Nick Mueller, Red Alderman, Gary Maris, Frank Clark, John Carpenter, Jay Landers, Jay Buckner, Bonnie Sutherland, Ed Cregar.

SOCCER

Hampered largely by injuries and by a novice squad, the Stetson Bootmen were able to win only one and tie another match this fall for a 1-5-1 season record. Nearly all of the losses were by only one goal, though, indicating a possible upswing in soccer here.

Stetson will lose FIC stars Don Ray, George Borders, Ted Sucher, and Bill George this spring due to graduation. Coach Berner will be pressed to find replacements for these team mainstays, but juniors Alderman, Cone, and Maris, along with sophs Sutherland, Wolfe, Brist and Buckner, have shown promise of living up to the task.

Co-captains George Borders and Don Ray pose before a regular afternoon practice. Both the stellar linemen earned positions on the Florida Intercollegiate Conference All-Star team.

Goalie Bill George, another FIC star, makes a leaping save in the DeLand match with Florida Southern College.

COACH GLENN WILKES

Stetson's Hi-Hats, coached by Glenn Wilkes, ran, rebounded, and scored to rack up the school's twelfth straight winning basketball season. The local cagers posted a 20-7 record, going down to Oglethorpe in the District 25 NAIA semifinals which Stetson won the year before.

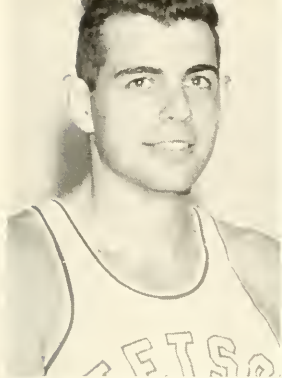

The Wilkesmen got off to a slow start by losing their first four games, but when they came home December 14 to face Wofford, things started changing. They won three, bowed to Georgia Southern, and ran up a fourteen-game winning streak before facing Miami in February. Only away games seemed to be much trouble, for the Hats kept a perfect 15-0 record on the home court to delight partisan DeLand fans.

This was Coach Wilkes' fourth year as head basketball mentor at Stetson and in this period he has guided the Hatter quintet to a 67-43 record. His overall coaching record stands at 190 victories with just 72 defeats for a .725 winning percentage. He was assisted this year by Bob Weickel, a 1960 graduate of Springfield College, who also directed the jayvee teams.

Hancock throws one up and over Sharry of Tampa.

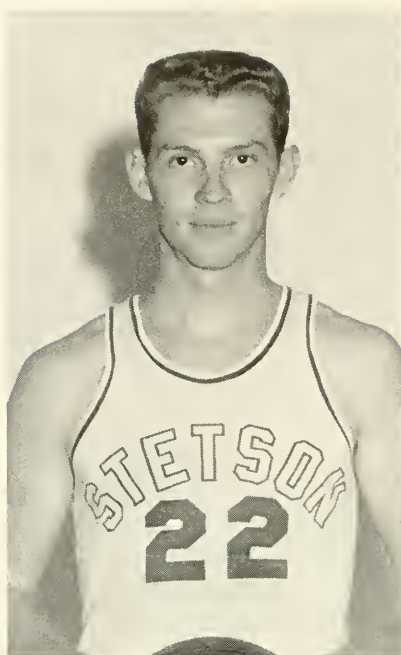

Four regular starters were Joel Hancock, John Dompe, Dalton Epting, and Charlie Warren.

Dalton "Stork" Epting cashed in on 56% of his field goal attempts and 75% of his free throws to tie for high scoring honors at 501 points. He also led the team in rebounding with 327 grabs.

Joel "Tricky" Hancock was named to the Small College All-American Honorable Mention team. He sank 50% from the field and 84% from the charity stripe. Joel and Dalton averaged 18.7 points per game each.

Determined Dalton outflies an opponent for another two points.

Coach Wilkes' Hi-Hats racked up their great 20-7 record this season by outshooting and out-rebounding opponents, while making fewer fouls. Stetson converted 785 of their 1584 field goal attempts for 49.5% accuracy; the opponents hit only 39%, sinking 710 of 1780 tries. On gratis heaves, the local cagers also held the edge by getting 72% on 534 of 740 to the other's 67% on 434 of 650.

The Hatters controlled the boards by a slight 1178-1048 margin. In the fouling department, though, the opponents led the way, committing 530 personals to Stetson's 477. The Wilkesmen totaled 2104 points with a 77.9 average per game; other teams had 1854 for a 68.7 average per game.

team for the Hatter Invitational in mid-December are Tampa's Berry, LMU's Larry White, and Stetson's Epting and Warren.

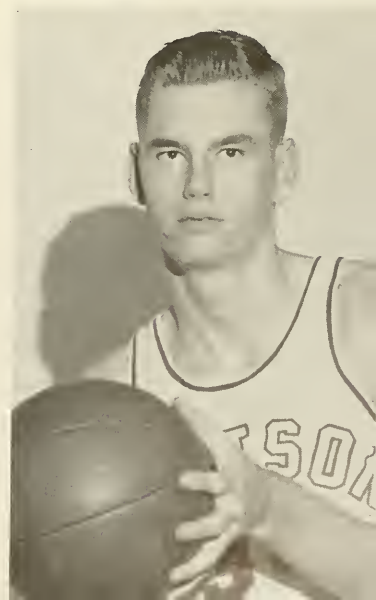

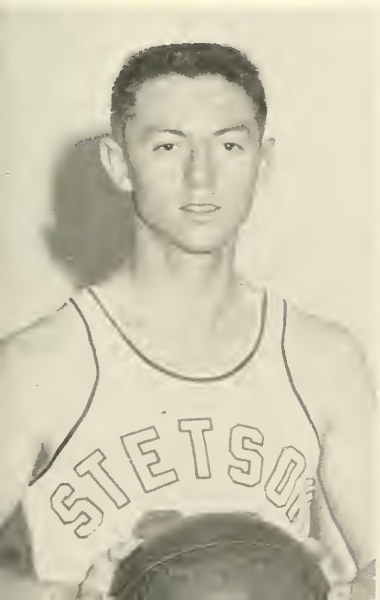

Floyd "The Fly" Gladden soars up for two against Rollins.

Floyd Gladden, from the basketball state of Indiana, connected on 36 goals and 18 free throws for 90 points, while committing only 9 fouls.

Pat "Black Bart" O'Neal scored 130 points and grabbed 88 rebounds. The 6'2" Ft. Lauderdale native fills a forward slot.

Vernon "Wimpy" Waters, a 6'2" forward from Jax, sank 55% of his field goal attempts and 50% of his free throws for 186 points. This was just his freshman year at Stetson.

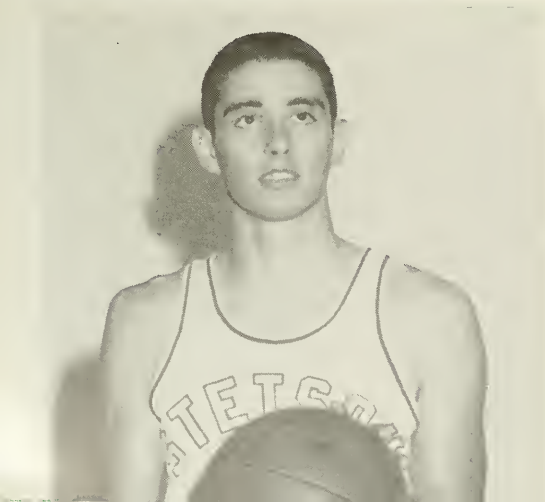

Six-foot, five-inch center Pete Brooks got 41 points and 37 rebounds in the first thirteen games of the season; then he hurt his knee and was out the rest of the year.

To the left Hancock gets two despite Mitchell's blocking before a standing-room-only crowd for the Homecoming contest.

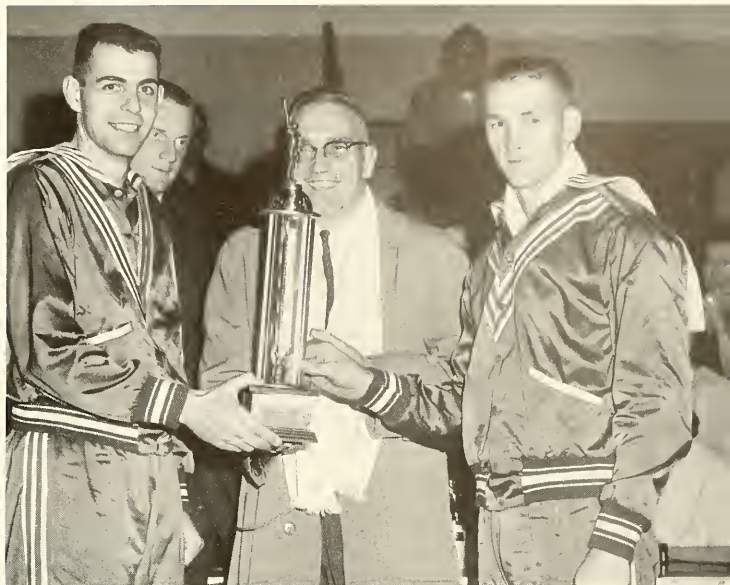

Freshman Dewey Terrell played in 15 of the varsity games, hit for 25 points, and took 28 rebounds.

Sophomore guard Bob Scott earned 32 Hatter points on 13 of 26 field goals and 6 of 7 gratis heaves.

Forward John Dompe outjumps an LMU player for a tip-in.

Co-captains John Dompe and Charlie Warren accept the first place trophy from Dean McEnery for winning the 1960 Hatter Invitational Tournament.

Vernon Waters is all alone for this basket.

NOW DARN IT, STAY IN THERE!

Bob Weickel, Joel Hancock, Charlie Warren, and Dalton Epting laugh heartily at Coach Wilkes' efforts to keep a driving machine's car on the road. They were relaxing while waiting for the opening game of the District 25 NAIA tourney; Dalton later was named the tournament's most valuable player and Stetson received the sportsmanship trophy.

"King" Hancock stands over his teammates in the Oglethorpe locker room. The other players are Terrell, Epting, Barnard, Waters, Warren, Dompe, Sparks, and Gladden.

Kneeling, left to right: Billy Bray, Verl Beebe, Tom Barnard, Bob McAfee, Tony Schoder. Standing: Bernie Gray, Vernon Waters (moved permanently to varsity), Dewey Terrell, Jack Sparks, Pete Taylor, Jim Terrell.

Bob Weickel, 1960 graduate of Springfield College, succeeded Don Harbin as assistant varsity and head jayvee basketball coach. The 6'5" Yankee led the frosh to a winning 11-5 record. He is currently working on his master's degree and assisting with varsity baseball.

BASEBALL

Florida Southern's Mocassins visited Conrad Park March 11 to open Stetson's 1961 baseball season. The Hatter Nine this year have a 25-game season, including 16 Florida Intercollegiate Conference tilts. Georgia Tech, Amherst, Valdosta State, Mercer, and Cincinnati are the non-FIC teams to face Stetson this spring.

Early in the second semester Coach "Doc" Johnson and Dr. Elmer C. Prichard began working out the team on Hulley Field. After several days of running, the team settled down to batting and fielding practice—all designed to get the boys in shape for the mid-March season opener.

FLASH—Just before the annual went to press, Stetson wrapped up its first winning season in several years with a 13-9-1 record. This included a long-awaited victory over the Rollins Tars—the first in 18 games.

Shortstop Elmer Underhill is left stranded on third in this game with Jacksonville.

Catcher Paul Hendrix has finished giving the signal and is awaiting a possible strike in one of the Hats' many home games at Conrad Park.

Sophomore Frank Clark temporarily acts as third base coach as Jax coach stalks over to talk with "Doc."

Outfielder Lee Gartside, with open glove and open mouth, waits to snag a high pop fly.

*rained out games

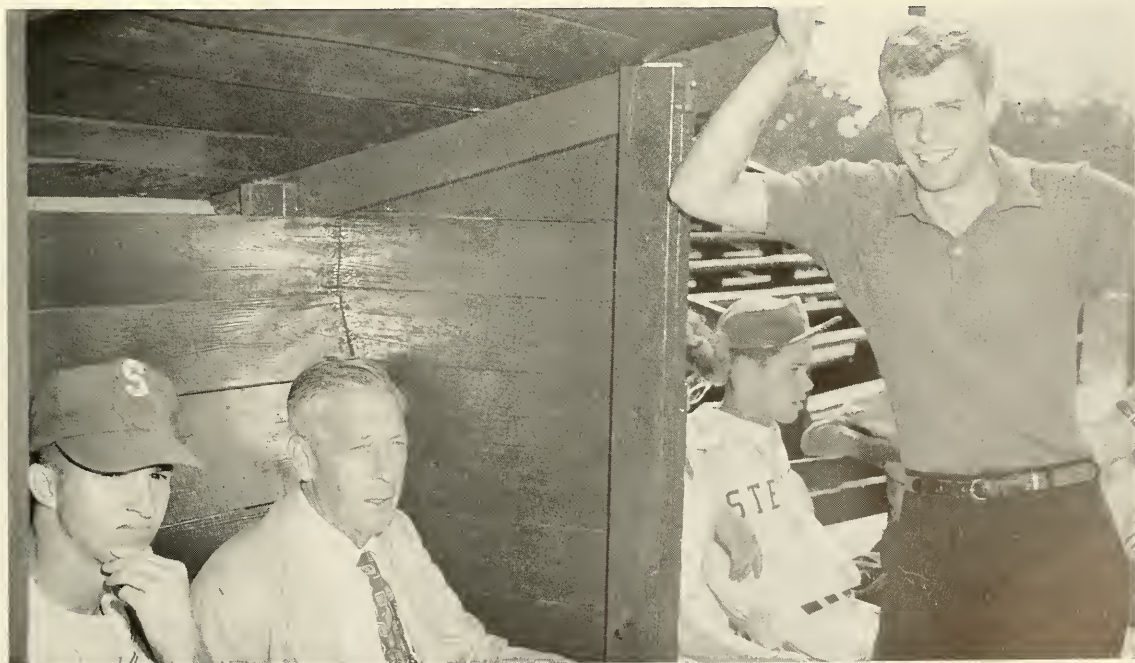

Senior Jerry Dunworth starts his swing in one of last spring's games. Dunworth, playing third base, committed only two errors in the '60 season for a 0.976 fielding percentage; his batting average this year was in the high .300's.

1960 co-captains Don Smith and George Borders try to make a pre-game arrangement with the umpires. They will be aided by tri-captain Dunworth in calling this season's action.

Borders studies a Stetson batter's style and manager Ted Sucher grins into the camera as Doc Johnson deliberates on a change in the Hatter line-up for the next inning. Scorekeeper Diane Disney and shortstop Elmore Underhill are seated in the background.

Ace first sacker Dohnel Miller tries to beat out a throw to the Georgia Tech baseman, showing the form which led to his being named Stetson's Most Valuable Baseball Player last season.

Pitcher Wayne Hagan hands the ball to southpaw Al Riffle, preparing to go in on relief duty. Riffle has since signed a professional contract.

Miller proudly displays the shirt and tie he received at his surprise birthday party following the last Rollins game of 1960.

The Hatter Nine went under .300 last season, posting a 4-12 FIC and 6-15 overall record. Lack of pitching and experience hampered the team's chances, but this year, with a mainly senior and sophomore squad, Coach Doc Johnson is expecting major improvements.

Senior tri-captains George Borders, Jerry Dunworth, and Don Smith will head the team; they will be aided by newly-added assistant coach Bob Weickel, a 1960 graduate from Springfield College in Massachusetts.

George Borders fires one in from second near the end of a pre-game warm-up.

COACH WES BERNER

Wes Berner assumed direction of an improved track and field squad for the 1961 season. The team posted much better scores this year, with stars Dohnel Miller and Dalton Epting leading the efforts.

TRACK

Left to right: Bob Morris, Red Alderman, Ralph Henry, Bob Eckblad, Jim Perry, George Osborne, Dohnel Miller, Don Adams, Bill Bryer, Dick Cruze, Pete Brooks, Marshall Nance, Hugh Peterson, Wayne Cone.

Dalton "The Stork" Epting strains to fly over this hurdle and beat his Furman competitor.

George Borders takes the outside lane, readying himself for the 220-yd dash.

Carlos Nunez and Charlie Warren get ready to congratulate victorious runner Dohnel Miller as teammate Epting shouts encouragement to straining Tom Davis in the background.

Field judge Roland Williams checks for a foul against this Georgia Tech broad-jumper.

Dale Justis gets a critical analysis from teammates as he strains to clear a high hurdle.

Seated, left to right: Rudy Weber, Jim Smith, Director Ed Ruby, Bob Moore, Fred Connell. Standing: Hugh Peterson, Charles Fleischman, Jim Geiger.

INTRAMURAL BOARD

Men's intramural activities at Stetson are governed by the Board under the provisions of the University Intramural Athletic Association. Each group entering teams—six fraternities, Indies and Preachers—has a representative on the board; student chairman, selected by the physical education faculty, is Ed Ruby.

The program employs Hulley Gym, Hulley Field, and the athletic areas on East Minnesota for its varied activities. Sports scheduled by the UIAA include touch football, basketball, table tennis, horseshoes, paddleball, volleyball, tennis, badminton, softball, and track. In some of these the faculty enters a team, but no game with this group is counted in the standings.

Trophies are awarded for each major sport; each spring Dr. J. Ollie Edmunds presents the President's Cup to the group with the highest point total for the year. An outstanding athlete is also chosen each year.

DIRECTOR GARLAND WILLIAMS

Tom Barnard tries to avoid hitting the bar while qualifying for the high jump finals.

Pike Terry Fitzgerald is momentarily stopped in mid-air before clearing the bar.

Sigma Nu Tiny Hendrix, in his well-known torn tee-shirt, catches a pass in his fraternity's game with the Delta Sigs.

Barnard gets hysterical as Lambda Chi Bill Perry strides to victory.

George Borders, Red Alderman, and Fred Sakon await a possible rebound as a Sig Ep attempts to block a Pi Kapp basket.

Referee Chuck Litvaney almost throws the jump ball out of sight in one of the Green League contests.

Don Seaborn comes down the final stretch after winning the 1960 cross-country race.

All eyes are focused on either an interception or touchdown in this Sigma Nu-Delta Sig game.

Timers Pat Figley, Logan Fay, and Tom Davis get ready to clock runners in the intramural track meet.

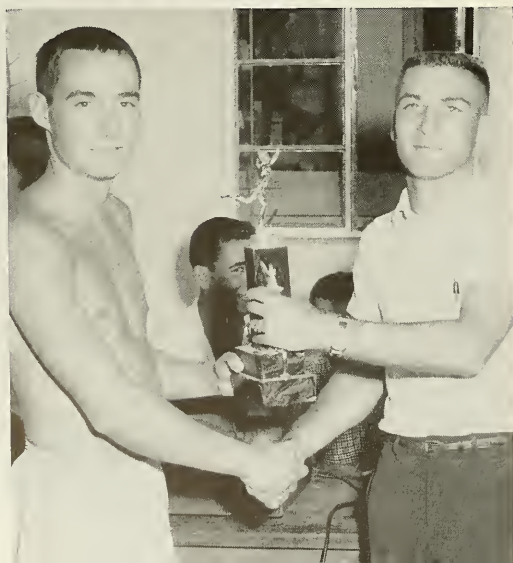

Butch Bennett clears the bar at 10'6" to win the pole vault competition in last spring's track meet.

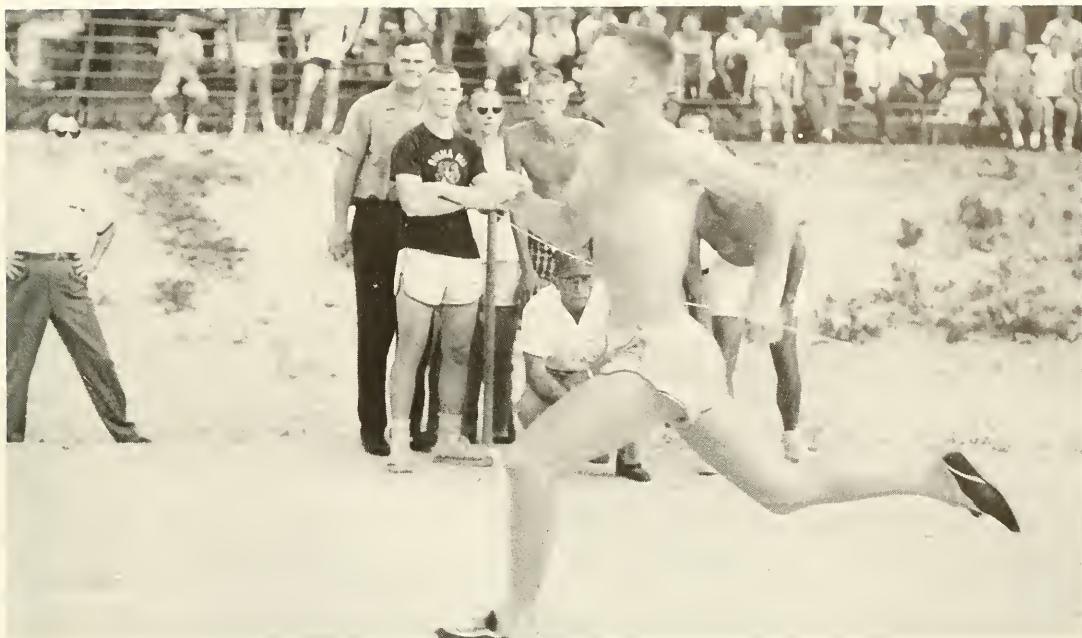

Delta Sig Bill Cross won the broad jump last spring with this 19-foot, 8-inch leap.

Sigma Nu John Shaw accepts the track trophy for his fraternity from Charles Fleischman, intramural director.

WOMEN'S INTRAMURALS

Women's intramural program is designed to present opportunities for Stetson women to participate in as many wholesome recreational activities as possible. Competition is provided by sororities and dormitories. Each year point and participation trophies are given.

Badminton singles champ Ann Quarles stretches for a return.

Tri-Delt Marybeth Everroad prepares her serve.

Alpha Chi Roberta Watts goes up for two.

Left to right: Marilyn Gooding, Marilyn White, Sandy Ivey, Cookie Riley, Jane Hall, Shannon Strauss, Marie Compton.

CHEERLEADERS

Cheerleaders usually are a school's most avid fans, and Stetson's are no exception. The group leads yells at soccer and basketball games, bonfires, and pep rallies.

The cheerleading squad is sponsored by Prof.

Giffin, whose daughter is the girls' mascot. Junior Cookie Riley is this year's captain; she, Marilyn White, Marilyn Gooding, and Marie Compton each have three years service on the squad.

The two Marilyns and Cookie lead the crowd in a snake dance at an SGA bonfire.

Alternate cheerleaders are from left, Diane Strickland, Judy Campbell, and Kris Kahn.

Left to right: Barbara Ritchey, Jo Parks, Virginia Holtzendorf, Jimmie Mae Wimberly, Yvonne Wilby, Eleanor Dickey, Margie McCree.

MAJORETTES

The majorette squad, headed by Jo Parks, has attained a precision surpassing that of any other such group in recent school history.

The twirlers practice weekly to perform at soccer games and in parades.

MILITARY . . .

Every Monday afternoon the entire cadet corps appears, shined and starched on Hulley Field for a two-and-a-half hour drill period. They first hear announcements from the battle group staff and then stand at attention for inspection by the executive staff and Regular Army officers. Finally comes the actual drilling.

Outstanding cadets are tapped into Pershing Rifles, the honorary for freshmen and sophomores, and Scabbard and Blade, for upperclassmen. In the summer between their junior and senior years, the men go to camp at Ft. Benning, Ga., where they can be recognized as "Distinguished Military Students."

In addition to marching in parades and competing in rifles matches, the corps sponsors Military Week. The highlight of this April week is the annual Military Ball.

LIEUTENANT COLONEL HARRY E. APGAR

CAPTAIN HENRY F. MARTIN

Army ROTC is designed primarily to provide junior officers for all components of the Army. A vital secondary mission is to impart citizenship training, develop leadership potential, and motivate the student for future service to the country.

Stetson's branch is composed of about 200 students with student officers and battle group staff. Sergeant instructors Douglas, Hoxworth, Limerick and Marsh, with Captains Martin and Hedrick, compose the directing Army staff, headed by Lieutenant Colonel Apgar.

R. O. T. C. Companies

Each of the four letter companies is composed of approximately fifty men. Three platoon leaders directly supervise every group. The band platoon consists of nearly twenty musicians and is run by a company commander and executive officer instead of platoon leaders.

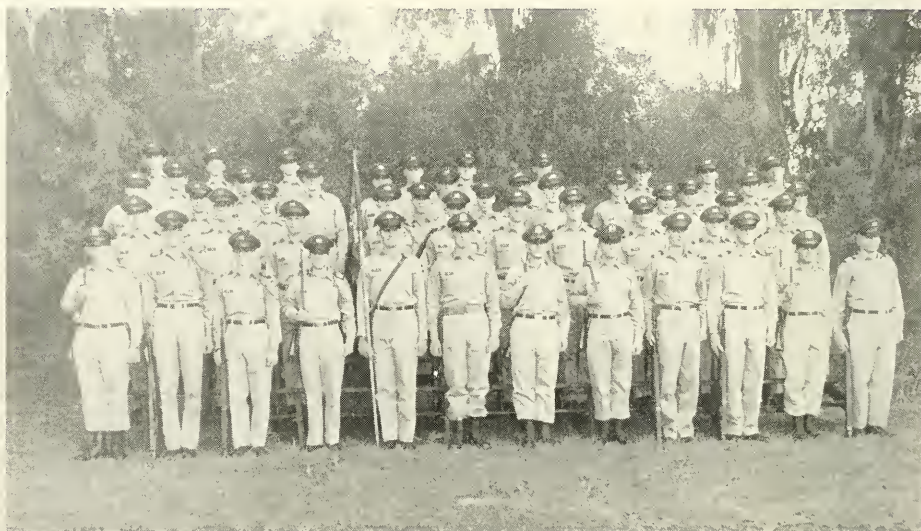

Once each week the entire corps has an afternoon of drill and inspection. Every cadet must meet regular Army specifications as to care of uniform and manner of drill. The students are also enrolled in classes concerning such military subjects as tactics and communications. Upon graduation and satisfactory completion of requirements, a cadet receives a commission as second lieutenant in the Army.

FEATURES

Homecoming, Greek Week, Hatter Holiday, orientation week, Stover Theatre, beauty contests—all play a prominent role in a Stetson student's life. Being crowned Athena or Zeus, playing the lead in a Stover production, or winning the Hatter Holiday races can be the highlights of a college career. This section includes the weeks, beauty contests, and productions which, because they're "special," do not fit into any of the regular sections.

ORGANIZATIONS

In addition to social fraternities and school-wide student governments, Stetson has many voluntary and honorary organizations for special interests or capabilities. The honoraries recognize outstanding leadership, scholarship, and achievement in certain fields; voluntary groups welcome anyone to participate and are dedicated to increasing interest in particular fields.

In the field of leadership, Mortar Board for women and Omicron Delta Kappa for men are the highest organizations to which students can aspire. Green Circle, the leadership fraternity for sophomore men, has been set up under the sponsorship of ODK. For scholarship Scroll and Key is the ultimate group. Phi Society is sponsored by faculty members of Phi Beta Kappa for students with a 2.4 average their freshman year. Other honoraries, such as Beta Beta Beta, Pershing Rifles, Sigma Tau Delta, and Phi Beta, award membership to outstanding students in their particular fields. The debate squad, publications staffs, Aqua Hats, and other similar voluntary groups provide interest and training for anyone seeking to join.

MEN'S COUNCIL

Men's Council serves as a link between the university men and the administration and tries to develop a sense of responsibility and high standards of conduct in each Stetson man as a corollary to its governmental functions.

Nine members are elected to the council each spring; no more than three members of the same social fraternity may serve together. The board exists to serve Stetson men and they are encouraged to express themselves at any time to council members on any matter concerning themselves or other students.

The Men's Council reviews all violations of men's conduct regulations and recommends appropriate action to the Dean of Men.

WOMEN'S COUNCIL

All resident women are automatically members of the Women's Student Government Association. The association is designed for self-government for Stetson women in all matters concerning them, their student life, and their relationships with others.

Dormitory councils deal with lesser infractions of the rules, thus leaving Executive free for the more serious misdemeanors. In addition to dealing with "criminal cases," the council decides upon special permissions for dress and late hours for the Stetson women as a whole.

Women's Council is composed of four officers, a sophomore representative, a representative-at-large, and the four dormitory presidents.

This year's Hatter started out to be the best organized and best designed annual ever to appear at Stetson, but as usual the "best-laid plans" went astray. Picture appointment mess-ups, lack of identification, insufficient copy, and not enough time—all these factors and more

combined to push publication to the very last minute. However, when that last shipment was sent to the engraver, the feeling of accomplishment—or, at least, relief—was tremendous.

The **Stetson Reporter** is Florida's oldest college newspaper. It is written and edited by students, and is published weekly.

In the **Reporter**, besides strictly news items, are features, stories on intercollegiate and intramural athletics, and columns. "Jabberwocky" by Sharon Sanders is the most sophisticated and literary column in the paper; it usually satirizes some aspect of campus

life.

"Calling All Losers" by Duard is the mystery column; that is, only the **Reporter** editors and Duard himself know his identity. "Campus Claptrap," containing the latest social news, is written by Gloria Santora and Tony Wood. "Dissonant Data" by Lamar Matthews and "Hat Rack Humor" by Don Hall are the other two regular columns.

"Imagineering"

TODAY, the business world the arts and sciences, and the professions are seeking young people with "imagineering ability" . . . the ability to combine their imagination with scientific exactness in their work.

Only through education and training can young minds be prepared to meet the challenges of a rapidly-changing world.

More power to you, the "imagineers" of the future!
